

SCRIBBLE AND SCRUNCH

A Storytelling Performance and Workshop

by Children's author Pippa Pixley

Premiered at
Unity Theatre,
Liverpool

The **Scribble & Scrunch Performance** (30min) is a interactive story about friendship, feelings and adventure that encourages kinaesthetic movement and leads into mark-making activities through the elements of storying.

The **Storying Workshop** (30min) follows the performance and involves cutting, sticking, scribbling, scrunching – and having lots of fun designing, making and storytelling.
